December 2014

This past month saw us covering many miles and several states, but the Lord has watched over us throughout the whole trip. We left our home in Madison, WI on Wednesday, December 3rd and headed for Ohio. After our Wednesday night meeting, we traveled over to Milford, OH to spend a few days at Bearing Precious Seed. We have handed out many thousand John and Romans on the Couriers for Christ trips we have taken, but have never seen the place where they are printed. What a blessing to get to see the press at work churning out Scriptures at a prodigious rate. An extra blessing was seeing that one of the collating machines was geared up to assemble Bulgarian John and Romans. While we were in the area we were also able to make a trip to the Creation Museum. Thanks to BPS for allowing us to use their passes to visit the museum.

From Milford we made our way over to Philadelphia, PA where we were able to spend a few weeks with my family while presenting our ministry at several churches in the area. We traveled from Philly down to North Carolina and Virginia before heading back to Philadelphia where I was able to preach a Christmas Eve service. We also were able to spend Christmas with my family for the first time in many years. Sadly though, life continues and we had to leave. On Monday, December 29th we left Philly and 900 miles and 13 1/2 hours later were back home in Madison.

One great joy of being on the road is the opportunity to hand out tracts and speak to people about Christ that I would not normally meet. One Sunday night I had the privilege to spend a few minutes talking to a clerk at a Wendy's in Delaware named Jeff. I was able to ask him if he knew where he would spend eternity. I told him that it was the most important question in his life and was able to leave a tract with him. If you think about it, please pray for Jeff.

In Christ,
Jeff and Grace Shergalis
