January 2015

Another month and many miles under our belt, but the Lord has been merciful through it all. At this point we have traveled around 15,000 miles and been in 37 different churches. We have had the opportunity to meet many wonderful people and have enjoyed visiting churches throughout this great country. I have preached in small churches and large churches. It has been interesting to see how God works and puts men of God exactly where they need to be. I have met pastors that God has put in a place that I can't imagine I would ever have the ability to pastor and yet they are doing a wonderful job. We have been in several churches where it felt so much like home that we both have said, "If we lived here, this is the church we would be members of." It truly has been a joy to be on the road and to visit so many churches. God has truly been good to us.

We are also rejoicing in how the Lord has been working and providing churches to partner with us in our efforts to get to the field of Bulgaria. At this point in our deputation trail the Lord has raised 27% of our needed support. Thank you to those churches that have recently partnered with us (including a church in Norway). We are truly humbled to be a part of your missions program and to be your representatives in the field of Bulgaria.

Sometimes, one of the challenges of being on the road is the unknown of where you are going to stay. I praise the Lord that as of now we have never had to stay in a "dungeon" or in the "dogs" room (at least, no one has told us we had the "dogs" room). There are times though, when the Lord provides you with an amazing place to stay. We were with a wonderful church in Park Rapids, MN earlier this month and a dear family in the church who owns a resort allowed us to stay in one of their log cabins on the lake. It was simply AMAZING! Pictures don't do it justice. Our many thanks go to the Gust family who so generously

opened a cabin for us so that we would have a place to stay. We were able to spend four days at the cabin and spend some time fellowshiping with Pastor Hawn and his family.

Please continue to pray for us as we travel. Thank you for all you have done for us thus far in prayer and financial support.

In Christ,
Jeff and Grace Shergalis
