July 2015

Thank you for all your prayer on our behalf over the past month. God has been very good to us and we are excited to share with you that we have had several new churches partner with us to help spread the Gospel in the country of Bulgaria. We are a little over 60% of our support goal and excited at how God has been providing. Thank you also for praying for my wisdom tooth removal. The procedure went well and although I am still a little sore, it is getting better every day. I wanted to take the opportunity in this letter to explain a little about what our plan is over the next several months so you will better know how to pray for us.

On August 27th we will be flying to Bulgaria for a missions conference at Black Sea Baptist Church in Varna, Bulgaria. I will be preaching for the missions conference and we are looking forward to seeing the folks in Varna again. It is hard to believe that it was almost three years ago when we first set foot in Bulgaria. We are looking forward to being back in Varna and renewing friendships with the people of Black Sea Baptist. After the missions conference we will be flying to Prague, Czech Republic to take part in the Couriers for Christ Scripture campaign. We then fly back from Prague on September 20th and hit the ground running with a missions conference that starts on September 23rd. Please pray for safety throughout our travels and for God to work in both the missions conference and in the Scripture campaign.

In May of 2016 we will be leaving for the field of Bulgaria. We had been targeting late spring to early summer as our goal for leaving for the field. In April Brother Nick Maulucci contacted me and asked if we would be able to come in May as he and his family were planning a six month furlough at that time. We looked at that as the Lord confirming the timing for us and so we agreed to come. At this point the plan is to go to Bulgaria in May and to be there for about seven months. During that time we will be continuing the ministry that Bro. Maulucci has in the city of Varna and taking language classes. At the end of the seven months we will be coming back to the US for a short period of time while preparing for our permanent move to the field of Bulgaria. The length of time we spend back in the US will depend on whether or not we need to continue deputation. We are praying to have raised our needed support before leaving next May. If that is the case then we should be able to head back to Bulgaria in early 2017. Please do continue to pray for the Lord's direction and timing in all of these things. We are leaving it in His hands trusting that He certainly knows best.

In Christ,
Jeff and Grace Shergalis
