June 2015

Greetings and salutations. Thank you for all your prayers for us over the past month. We have seen the Lord protect us on the road, seen Him provide for our every need, and been privileged to serve Him for another month.

Our last meeting before heading back to the Midwest took us to a youth camp in rural Ohio. The camp is run by a church in Tennessee. We had the privilege of spending a week at the church

camp working with their Junior Campers (2nd—6th grade). We served as counselors for the week and I had the opportunity to preach to the young people twice including preaching the closing message for the camp. I took the opportunity to challenge the young people to have their own faith and their own walk with God. I hope and pray that another generation of preachers, missionaries, pastor's wives, Sunday School teachers and faithful deacons will be raised up from this group. The camp is geared towards inner-city children and is run on donations from other churches. The children are charged almost nothing for the camp. One

of the great ministries they have started this year is to bring some of the best of the best bus kids to the camp for the whole summer. They are preached to on a daily basis along with working around the camp and learning character and values whilst performing hard work (for example: they took the young men along the hiking trails and taught them how to use a chainsaw to clear the trails). It was exciting to see a church that had a burden to reach their community and to make a difference in the lives of the people that the Lord has given them to minister to.

Thank you again for your prayers and financial support for us. You are a continual encouragement to us.

In Christ,
Jeff and Grace Shergalis
